## Common info

### Arrival and parking in CC:

After arrival you park on the meadow close to the church. Those who are accommodated in camp use the flat part of the meadow, the rest use a sloping part for parking. Asphalt road is a boundary to Protected landscape area of Orlické hory. Definitely don't park nor camp on meadows in direction to mountains! The meadow suited for competition offers a lot of space for anything we need. Parking is free.

### Accommodation in camp:

Arrival is possible more less anytime you need. Organisers come to CC with equipment (toilets, water) on Thursday morning, kiosk nad registration desk come after E1. Flat part of the CC will be used for camping. It is possible to park next to your tent. Try build the tent city in civilised way, don't block others. There is a lot of space.

Caravans park as close to asphalt road as possible. Don't move your vehicles on grass more that is needed. In CC there are chemical toilets, for washing a small basin + washbasins. There will be a tank with drinkable watter. Try to spare it!

## CC plan:

## Catering:

In CC there will be a kiosk with basic sortiment. Who wants more, visit the Prázova bouda (1.5km far).

## Office open hours:

Thursday 3.7. 14:30 – 17:00 in E1 event centre

Saturday 5.7. 9:00 – 12:00 in CC  
Sunday 6.7. 9:00 – 10:00 in E4 event centre

Additional entries are not possible. You can enter only classes HDR (parents with children), P (easy) and T (challenging) until the count of free maps.

### **Kindergarten:**

Will be ready to work on E1 inside the building, E2-E3 next to office and on E4 in partytent in event centre. Please give the kids all necessary things (drinks, food). We take care about babies too, but no nappies changing. Put the kids to kindergarten for necessary time only. Don't try to get them in at 9 and take them away at 15!

### **Punching:**

SPORTident Air, there is possible to borrow a non-Air chip for 50 CZK per stage. SI reading is always in event centre. If SI fails, punch anywhere to map with puncher and show it in finish to referee. Time measure precision – seconds.

### **Control descriptions:**

On maps only! There will be a scissors at start for those who need to cut it away.

### **Startlist:**

On board at CC and in ORIS. Classes HDR, T and P start anytime they want untill the last competitor in startlist starts. For 4th stage the start list will be set according the running results of E1-E3.

### **At start E1-E3:**

At the first box (-3 minuty) competitor clears his SI in unit CLEAR. At the 2nd box (-2 min) competitor punch SI CHECK and in case a SI SIAC TEST too. At the last box the competitor takes his map (+cut off the descriptions) and quietly waits for his start.

### **In finish E1-E3:**

The race is over by punching the SI unit Finish and read-out the SI chip at the office. It is mandatory for those who give up the race too! We don't collect the maps in finish, be fair and don't show the map to other competitors.

**Refreshment in finish:** water and juice
